

Miller raps Habbal, supports LaVoie 12/20/92

If Winsted Selectmen Nancy Habbal is concerned that many people in Winsted are upset with her, she should consider the following;

At election time, five Democrats including herself were elected. Nancy along with another Democrat Jim Pettit, chose to elect a Republican as mayor. She also has consistently voted to support budgets that would increase property taxes. When it came to fire Wayne Dove, Nancy chose to do so without stating a reason.

Regarding Selectmen Habbal's distaste for the Community Lawyer's office and Charlene LaVoie in particular, it's not only my strong opinion, but the opinion of many, that the citizens of the town of Winchester are very fortunate to have this service available to them. There is no question that it is a great help.

Charlene is a fighter, one who is never afraid to stand up and be counted and I can tell you that I might have to bend over a little to do it, but I will stand shoulder to shoulder with her anytime.
